PROFESSIONAL SUMMARY

Junior Data Analyst & Digital Strategist with a dual background in Communication and Artificial Intelligence. Specialized in transforming raw digital data into actionable business strategies. Currently completing a Master's in Big Data & AI, with hands-on experience in Python, SQL, and Power BI to optimize marketing ROI and customer engagement. Proven ability to bridge the gap between technical data insights and creative content strategies.

EDUCATION

CEU SAN PABLO UNIVERSITY MADRID, SPAIN

Master's in Big Data and Artificial Intelligence SEPT. 2025 – JUNE 2026

- Key Skills: Machine Learning, Predictive Modelling, Python Scripting, ETL Processes.
- Capstone Project: Applying Generative AI models for business strategy optimization.

CEU SAN PABLO UNIVERSITY MADRID, SPAIN

Bachelor's Degree in Digital Communication SEPT. 2017 – JUNE 2021

- Specialized in digital strategy and multimedia content creation.

PROFESSIONAL EXPERIENCE

OPTISAZM MADRID, SPAIN

Digital Strategy & Data Analyst (Part-time) JULY 2025 – PRESENT

- **Challenge:** The clinic lacked visibility on the correlation between online content and physical sales conversion. **Action:** Implemented data tracking using Python to analyze customer interaction metrics and behavioral patterns. **Result:** Optimized the "Online-to-Offline" funnel, enabling data-driven decisions that improved customer acquisition strategies.
- **Challenge:** Need to increase community engagement without increasing ad spend. **Action:** Analyzed audience data to segment targets and tailor organic content. **Result:** Achieved consistent community growth and higher interaction rates through targeted messaging.

INSTITUTO ÉLAN DE SEXOLOGÍA MADRID, SPAIN

Marketing Data Analyst & Strategist (Part-time) APRIL 2025 – PRESENT

- **Challenge:** Launching a new brand voice in a sensitive niche with zero historical data to guide the strategy. **Action:** Conducted market analysis to define the brand tone and executed A/B testing on Social Ads campaigns. **Result:** Established strong brand positioning and maximized budget efficiency (ROI) from the first month of operations.
- **Challenge:** Complex medical information was not reaching the general public effectively. **Action:** Translated technical data into accessible content based on engagement KPIs. **Result:** Significantly increased organic reach and audience retention metrics.

PZT BY POSIZIONARTE MADRID, SPAIN

Junior Digital Analyst & Content Specialist NOV. 2024 – APRIL 2025

- **Challenge:** Managing multiple client accounts that were suffering from stagnant growth and low engagement. **Action:** Optimized editorial calendars based on historical data performance analysis and audience segmentation. **Result:** Achieved a 35% increase in digital presence for key clients within 6 months of strategy implementation.
- **Challenge:** Clients demanded better visibility on campaign performance. **Action:** Developed monthly performance reports with actionable insights. **Result:** Improved client satisfaction and retention by demonstrating clear ROI.

LANGUAGES

Spanish (Native); English (Advanced C1); French (Intermediate B1)

ADDITIONAL INFORMATION

- **Programming & Data Analysis:** Proficient in Python (Pandas, NumPy, Scikit-learn), SQL (MySQL, PostgreSQL), and ETL processes for Big Data.
- **Visualization & BI:** Experienced with Power BI, Matplotlib, Google Analytics (GA4), and Looker Studio for dashboard creation.
- **Digital Strategy:** Expertise in SEO/SEM, A/B Testing, Social Media Analytics, and ROI Optimization.
- **Soft Skills:** Strong capability for multidisciplinary teamwork, complex problem solving, and adaptability in fast-paced environments.
- **Portfolio:** Check my projects on GitHub and my Digital Strategy Portfolio linked in the header.
